

2018 RUNNERS  
(As of 19 August 2018)

Purchases and Matings recommended by  
Edward J. Messina, Ph.D.

My breakthrough method of pedigree analysis has produced the following winners. Notice how the horses have won and placed several times. This is indicative of the soundness I look for when purchasing at the sales and the soundness I design into the matings. Whether it is buying, matings, broodmare or stallion analysis, I can help you get to the winners circle.
